LOCAL UNION NO. 332

Petitioner

CORRECTION TO DECISION AND DIRECTION OF ELECTION

The Decision in this case issued on December 16, 2005. On page 17 of the , Decision, the first sentence of the last paragraph included some extraneous words, and it is being replaced with the following paragraph:

5. The following employees of the Employer constitute a unit appropriate for the purpose of collective bargaining within the meaning of Section 9(b) of the Act:

All full-time and regular part-time electrical department field employees working at and/or out of the Employer's San Jose and Stockton, California facilities, including auger truck drivers (also called auger truck operators), wiremen (also called linemen), generator servicemen, and groundsmen (also called yard men, yard workers, ground laborers or auger ground laborers); excluding estimators, clerical employees, guards, and supervisors as defined in the Act.

The first line of that paragraph, as it appeared in the original decision, incorrectly included the words "at its Stockton, California facility," and in the corrected version set

forth above those words have been omitted. The remainder of the paragraph remains unchanged.

Dated at Oakland, California this 21st day of December, 2005.
